Magnetic Nail Starter

The Magnetic Nail Starter (TM) is a thumb saver and a stud finder.

This patented tool is a unique calling card/leave-behind for the in-home contractor, or for real estate agents, mortgage brokers, and chambers of commerce that are involved in welcoming people to their new home.

A useful tool for putting up pictures. 4" x 0.875" 4-color domed decal and 10-14 day production time from artwork approval.
